

## Foundation Presents at Florida Meeting

On July 17, Leonard Gianessi presented his talk on the Importance of Pesticides for Feeding the World at a meeting of the Florida Fertilizer and Agrichemical Association's Crop Protection and Fertilizer Advisory Committee. Also presenting at the meeting were Mary Hartney, FFAA President, Ab Basu from BIO and Jeff Sumner, Director of Agricultural Programs for the South Florida Water Management District, who brought the Committee up-to-date on the highly successful nutrient reduction program for Lake Okeechobee.
