

Leonard Gianessi Speaks at Bayer and Arysta

On July 15, Leonard Gianessi stopped in North Carolina and made two presentations of his talk about the Importance of Pesticides for Feeding the World. In the morning Leonard spoke at the Research Triangle Park headquarters of Bayer CropScience where he was introduced by CLA Board member, Jim Blome. Leonard's talk was held as part of Bayer's Tell Me More Activities. In the afternoon, Leonard was at the Cary, NC headquarters of Arysta LifeScience where he visited with CLA Board member Jeff Tweedy. Leonard's presentation to Arysta staff was organized by the HR Department's Annetta Johnson who announced a regular upcoming series of educational lunch n' learn presentations.
